# SENTIER VETCORDER™

Reach New Levels of Care, Connection & Convenience

## Visibly higher quality

Clients appreciate practices that provide the highest standards of care and technology. The Vetcorder™ provides a cost effective way to deliver these standards.

## Monitor anywhere, anytime

Expand your practice beyond the four walls of your hospital. Use the Vetcorder™ in surgery, in your mobile practice or send it home with your client and receive regular vital signs updates.

## Do more to monitor every pet's recovery

The Vetcorder™ offers an alternative to outdated, high cost, and bulky monitors. As a portable smart monitor, it stays with your patient from admission through discharge.
