4

McCULLOCH MEDICAL™ MASKS are effective devices used to supply oxygen, medicants and anesthesia to animals.

Used by emergency service providers around the world!

- Easily cleaned
- 2 year warranty
- Diaphragm is made from tear-resistant thermoplastic material and is inert with polycarbonate for longer life

- Facilitates patient recovery following surgery, trauma or smoke-inhalation
- Features dual vents, not valves, to ensure unrestricted inhalation and exhalation to prevent unforeseen reduction or increase in oxygen flow
- Designed to be used with oxygen tanks
- Optional hook and strap sets available for securing the mask to the patient
